## How to find us

From M6 south and north-west: leave the M6 at junction 6 and follow the A38(M). Follow signs to city centre and south – A38(M). Go over one flyover and continue through three underpasses. Get into right hand lane immediately after leaving third underpass. At the Lee Bank Middleway traffic lights just after Bristol Street Motors, turn right. Continue for 1/2 mile to the Five Ways Island and then take the third exit left onto the Hagley Road (A456). Between the first and second set of traffic lights that you come to, there is a break in the dual carriageway where it is possible to do a U-turn. Return to that first set of traffic light and the hotel is immediately past them on your left.
